EDUCATION

College of Engineering, University of Florida

2021 - 2025

Bachelor of Computer Science

Expected 2025

SKILLS

Languages C++, Java, JavaScript, CSS, HTML, Python, ARM Assembly
Skills SFML, BIOS, Git, OOP, DOM, Microsoft AD, Netlify, emailJs, React, Django
Other Skills Programming Fundamentals, Data Structures and Algorithms, Fluent in Portuguese

EXPERIENCE

IT Inventory / Helpdesk Technician

Jun - Jul 2019-22

RAS PLLC

Boca Raton, FL

- Tasked with managing wasp system to store company assets across multiple facilities
- Responsible for handling packaging and shipping of company hardware
- Targeted hardware issues and component replacement (SSD, Ram, CMOS battery, fans) and destruction (SSD)
- Virtually troubleshooted employee software and accounts on proprietary company firmware via ConnectWise
- Tasked with modifying badge and email access to new/terminated employees across designated areas
- Responsible for requesting, updating, and documenting third party finance account access for employees (Black-Knight LPS, ADR, NBS, TEMPO)
- Executed Bit-locker installation amongst dozens of local company desktops
- Installed and Setup Applications/OS (Windows, Spark, Firmware, Remote Access, Adobe Acrobat)

PROJECTS

- Minesweeper videogame: C++, SFML
 - Classic game Minesweeper with all the original features (scoreboard, randomized mine placement, revealing neighbors, cascading neighbors, and flagging tiles) with new features (debugging and preloaded boards options)
- Image Processing: C++
 - Program that processes images with different blending modes (multiply, subtract, overlay, screen) by reading binary files, processed using Photoshop blending algorithms and wrote the result into a (TGA) binary file
- Black Jack: Java
 - Black jack game with randomized dealer cards and score tracker
- Schedule Chomper: C++, SFML, Python
 - Developed C++ interactive program to generate optimized college schedules based on user input, utilizing web scraping and topological sorting algorithms on a graph.

ACHIEVEMENTS

- Herbert Wertheim College of Engineering Dean's List Fall 2021
- Cambridge AICE Diploma certificate with Merit
